waite Hoyt, the bey wonder from the flatbush section of Brooklyn, pitched the Yankees to their third victory in the series, his potent right arm being aided by some great defensive work on the part of his tam-mates. He had on the part of his tam-mates. He had on the part of his tam-mates. He had on the part of his fast inning.

New York, Oct. 10 (By the A. P.)—
A bunt in a baseball game doesn't hold a candle to a home run as a spectacular feat, but a little bunt which "Babe" Ruth laid down on the grass at the Polo Grounds today showed how much importance sometimes attaches to the less sensational performance.

"Babe's home run in the ninth inning of Sunday's game was for the Tankees as a team just one more run and nothing more. His bunt in the formance on the defense, giving Neht fine support, Only one error, a dropped throw by Frisch, marred their record. Neht held the slugging Yankees to six hits. The Giants' inability to hit Hoyt effectively was their fatal handicap. George Kelly led his team at bat, with three hits.

Quoted in dollars and cents per \$100 CHICAGO GRAIN MARKET

Chicago, Oct. 10.—Upward swings in wheat prices resulted today from bullish aspects of the government crop report and from a sharp advance in sterling exchange. The close although the change is the control of the government crop report and from a sharp advance in sterling exchange. The close although the change is the close of the government crop report and from the grant change. The close although the change is the close of the government crop report and from the grant change. CHICAGO GRAIN MARKET change. The close, although unsettled, was 1 3-4 to 2 1-4 cents net higher with December 1.11 to 1.11 1-4 and May venian had to go three heats to get first 1.15 3-4 to 1.16. Corn grined 5-8 to 1.14; oats finighed unchanged, and provisions unchanged, to 7 cents down.

The first heat of the Kentucky, Europe 1.14; oats finished to 7 cents down. With government figures showing smaller yields of wheat and corn than had been expected, wheat took up grade

55% as soon as the pit was open for business 7% Current expressions of opinion that expressions of opinion that the United States wheat surplus had been well sold out tended also to encour-age bullish sentiment. Later the steep 10174 rise of foreign exchange, especially steriing, gave decided impetus to demand. On the other hand, speculators temporarily depressed prices after mid-day anticipating that the domestic visible supply total pace, won in straight heats but was would disclose a big increase. The visible forced to take a record of 2.05 to do it. depressed prices after mid-day anticipat-ing that the domestic visible supply total 84% supply statement, however, was delayed, and the majority of shorts were scramb and the majority of shorts were scramo-ling to cover at the last rather than risk letting their trades remain open over-night. Visible supply figures when finally posted a minute or two before the close included the stock at St. Joseph, Mo., 1,127,000 bushels the first time that

New York record prices for this sea-son were touched by corn and oats. The chief depressing factors were the heavy receipts of corn and the scarcity of storage room.

Provisions declined with corn, although at first reflecting an upturn in the value
